Reflections from Fr. Daryl

Layman's 10 Commandments.

Someone has written these beautiful words. Read and try to understand the deep meaning of it. They are, like the ten commandments, to follow in life all the time.

1. Prayer is not a "spare wheel" that you pull out when in trouble, but it is a "steering wheel" that directs the right path throughout.
2. Why is it that a Car's WINDSHIELD is so large & the rearview mirror is so small? Because our PAST is not as important as our FUTURE. So, Look Ahead and Move on.
3. Friendship is like a BOOK. It takes few seconds to burn, but it takes years to write.
4. All things in life are temporary. If going well, enjoy it, they will not last forever. If going wrong, don't worry, they can't last long either.
5. Old Friends are Gold! New Friends are Diamond! If you get a Diamond, don't forget the Gold! Because to hold a Diamond, you always need a Base of Gold!
6. Often when we lose hope and think this is the end, GOD smiles from above and says, "Relax, sweetheart, it's just a bend, not the end!"
7. When GOD solves your problems, you have faith in HIS abilities; when GOD doesn't solve your problems HE has faith in your abilities.
8. A blind person asked St. Anthony: "Can there be anything worse than losing eye sight?" He replied: "Yes, losing your vision!"
9. When you pray for others, God listens to you and blesses them, and sometimes, when you are safe and happy, remember that someone has prayed for you.
10. WORRYING does not take away tomorrow's TROUBLES, it takes away today's PEACE.

STEWARDSHIP

In today's readings, we see two groups of people with one thing in common: they have each received very generous gifts from God, but can't see those gifts for what they are! In the first reading, the Israelites have been freed from slavery (an answer to their prayers!), but they are now lost in the desert and are complaining about their suffering and starvation. In His generosity, God gives them another sign of His loving presence in the form of manna from Heaven. Some might say they are undeserving of the gift, but God knows it is signs like these that will renew their faith in Him. In the passage from John's Gospel, we see the disciples floundering -- they want to do God's will, but are unsure of how to do so. Like their ancestors in Israel, they request a sign from God. They don't understand that Jesus IS the sign they are seeking. They don't understand the depth of the gift they have been given! In both cases, God has given them all they need for both physical sustenance and spiritual sustenance, yet they ask for more. A key aspect of true stewardship is recognizing the gifts God has given us! This requires discernment and conversations with our Lord, and it requires a mind that is open to the fact that the gifts you have received may not necessarily be the gifts we request. Our lives are filled with blessings!! We need to discover them, share them, and rejoice in them!!
