Reflections from Fr. Daryl

Are You Jesus? (Brennan Manning)

Several years ago a group of salesmen went to a regional sales convention in Chicago. They assured their wives that they would be home in plenty of time for Friday's supper.

One thing led to another and the meeting ran overtime so the men had to race to the airport, tickets in hand. As they barged through the terminal, one man inadvertently kicked over a table supporting a basket of apples. Without stopping they all reached the plane in time and boarded it with a sigh of relief. All but one. He pauses, got in touch with his feelings, and experienced a twinge of compassion for the girl whose apple-stand had been overturned. He waved goodbye to his companions and returned to the terminal. He was glad he did. The ten-year-old was blind.

The salesman gathered up the apples and noticed that several of them were battered and bruised. He reached into his wallet and said to the girl, "Here, please take this ten dollars for the damage we did. I hope it didn't spoil your day."

As the salesman started to walk away the bewildered girl called out to him, "Are you Jesus?"

He stopped in mid-stride. And he wondered.

We live in a rushed world. We have places to go, things to do, work to be completed. Many of us are in a rush throughout each day doing our best to get one thing after another completed. When we live each day in such a manner, it becomes difficult for us to notice the people who are around us and the needs they may have. As we fail to recognize these needs of others, we may well be failing to use that which God has given us for the benefit of others.

As Jesus went about proclaiming the Gospel, we find him continually looking fulfill the needs of the people he encountered. In today's Gospel, he heals a deaf man with a speech impediment that the people had brought to him. Leading the people to once again be exceedingly astonished at what he is able to do. Jesus has called us to do good works for the glory of God. He gives to each of us the gifts and talents necessary to complete these good works. Are we in such a hurry that we fail to use these gifts as God has intended? Like the man in the story, we need to stop in mid-stride and wonder if we are fulfilling the work our Lord has given us to accomplish.

STEWARDSHIP

James writes in his letter how generous of a gift faith is: In James 2:5, he wrote: "Did not God choose those who are poor in the world to be rich in faith and heirs of the kingdom that he promised to those who love him?" Discipleship does not have to be complicated, and it is not reserved for the elite. In the Gospel today, we see proof of this in a man whose ears and mouth are "opened" so that he can hear and speak plainly. In a physical sense, his handicap was removed. In a spiritual sense, he was freed from the deafening lies of the world that were inhibiting his being "fully alive" as a disciple. Faithful stewards realize that to be "fully alive" means putting the world aside and living only for the riches of the promised kingdom realized both now and in eternity.
