Reflections from Father Daryl

Baptized in the Name of the Holy Trinity

As Jesus prepared to begin his public ministry he went to John the Baptist and was baptized. By allowing himself to be baptized, Jesus makes holy the very waters in which we are baptized. When we are baptized, original sin is removed from our souls, we receive the new life of the Risen Lord and we become children of God, beginning our journey of faith. Without Jesus’ baptism by John this would not have been possible for us. As Jesus prepared to return to the father, he instructed the apostles to “Make disciples of every nation, baptizing them in the name of the Father, the Son and the Holy Spirit”. (Mt 28:19) The grace and life we receive in baptism will be with us throughout our lives on earth guiding and strengthening us as we seek to live as a disciple’s of Christ.

Baptism begins our journey of faith. We could not have a better foundation than the Most Holy Trinity. Jesus gave the command to the disciples to baptize in the name of the Holy Trinity so we might share in the fullness of the Trinity through our lifelong journey of faith, through which we desire to gain our place in heaven. As we celebrate today the Most Holy Trinity, we look at the gifts received through each person of the Trinity and how these gifts guide us on our journey.

God our heavenly Father shares with us his wisdom. It is in his wisdom that the heavens and the earth were created. In his wisdom, God the Father set the plan of salvation for all that would be accomplished through his son. Through the wisdom we receive at our baptism through the Father, we come to understand the plan of salvation for ourselves and how we live each day knowing the plan has been fulfilled. This plan lets us understand the depths of God’s love for us as revealed through his son.

Christ in his ministry showed us the way of love we are called to live each day. He gave us the new command to love one another as he has loved us. We are only able to fulfill this command with the love of Christ in our hearts. Jesus loved us unconditionally and sacrificial love. He loves us unconditionally even in our sinfulness and is always ready to forgive us and fill us with his grace and blessings. He gave his life so for us to overcome sin and death. This is the way of love we must strive to live each day.

To aid us in living our life according to the way of love of Christ, we have been given the strength of the Holy Spirit. He is our advocate who always pleads our cause. He knows what we need even before we pray. We are blessed with the seven gifts of the Holy Spirit: the spirit of wisdom and understanding, the spirit of right judgment and courage, the spirit of knowledge and reverence and the spirit of wonder and awe in your presence. Each gift provides what is necessary to fulfill the command to love in each moment of our lives.

Our journey of faith through our lives here on earth must always be on the path that will lead us to our heavenly home. Through the most Holy Trinity, we are assured that we will always be guided to that path. May the wisdom, love and strength guide us always to our eternal reward.

STEWARDSHIP REFLECTION
It is said that the will of God will not lead you where the grace of God will not protect you. As missionary disciples, we often face tasks that seem daunting or unmanageable. We certainly see that today in the reading from Exodus. Moses has been asked to lead the “stiff necked” Israelites to the promised land, but they are troubled by their own unfaithfulness. So God joins them. They carry the Ark of the Covenant as a reminder of God’s physical presence with them as they make the difficult journey. In John’s Gospel, we see the renewal of that covenant in Jesus Christ, who was sent to live and move amongst us and to die for our sins. Then, after Jesus’ ascension, God sent the Holy Spirit to dwell within us! God may ask us to do some difficult work, but He never abandons us to do the work on our own. He is with us “even to the end of the age.”
